South Central Deanery

We will make every attempt to keep you in the cycle with the Northeast and Southwest Deaneries. However, due to the typical large numbers from the South Central deanery, we may have to adjust individual parish assignments to balance attendance at the two services. We will make that adjustment based on the order in which we receive each registration, so please get your registration in as early as possible. Please be understanding if your parish needs to be re-assigned to the other service. Thank you!
