

DRIVING DIRECTIONS TO ST. JOSEPH CATHEDRAL, BATON ROUGE
(Cathedral is on the corner of Fourth Street and Main Street – facing Main Street)

From I-12 Westbound, from South Baton Rouge, Denham Springs and Hammond

1. Follow **I-12 W** toward the Mississippi River.
2. **I-12 W** will end when it merges with **I-10 W** and becomes **I-10 W**.
3. Continue westbound, and watch for the Interstate to split, with **I-10 W** going left toward Lafayette over the Mississippi River Bridge, and **I-110 Northbound** going right toward Downtown/Metro Airport.
4. Merge onto **I-110 N** via Exit **155-B** to **Downtown/Metro Airport**
5. Watch for **North Street** exit, **Exit 1-D**, on the left just a mile down. Again, it is a left-lane exit.
6. Exit onto **North St** via exit **1-D** by proceeding straight at the bottom of the exit.
7. Continue westbound down North Street heading towards the Mississippi River; you will notice St. Joseph Cathedral Square on the left between Fifth and Fourth Streets. On weekends you may park in the large lot on your left, in one of the nearby State parking garage buildings, or on the street wherever permitted. You may wish to turn left onto Fourth Street and then left again onto Main Street: **the Cathedral is on the corner of Main and Fourth Streets, facing Main Street.**

From I-10 Westbound, from Gonzales and New Orleans

1. Follow **I-10 W** toward the Mississippi River; do not exit onto I-12 E (toward Hammond) at all.
2. Continue westbound, and watch for the Interstate to split, with **I-10 W** going left toward Lafayette over the Mississippi River Bridge, and **I-110 Northbound** going right toward Downtown/Metro Airport.
3. Merge onto **I-110 N** via exit **155-B** to **Downtown/Metro Airport**
4. Watch for **North Street** exit, **Exit 1-D**, on the left just a mile down. Again, it is a left-lane exit.
5. Exit onto **North St** via exit **1-D** by proceeding straight at the bottom of the exit.
6. Continue westbound down North Street heading towards the Mississippi River; you will notice St. Joseph Cathedral Square on the left between Fifth and Fourth Streets. On weekends you may park in the large lot on your left, in one of the nearby State parking garage buildings, or on the street wherever permitted. You may wish to turn left onto Fourth Street and then left again onto Main Street: **the Cathedral is on the corner of Main and Fourth Streets, facing Main Street.**

From I-10 Eastbound, from Port Allen, Grosse Tête and Lafayette

1. Follow **I-10 E** toward Baton Rouge and across the Mississippi River Bridge.
2. While on the bridge, get into the left lane, which becomes the exit to the left onto **I-110 N** toward Downtown Business/Metro Airport.
3. Watch for **North Street** exit, **Exit 1-D**, on the left just a mile down. Again, it is a left-lane exit.
4. Exit onto **North St** via exit **1-D** by proceeding straight at the bottom of the exit.
5. Continue westbound down North Street heading towards the Mississippi River; you will notice St. Joseph Cathedral Square on the left between Fifth and Fourth Streets. On weekends you may park in the large lot on your left, in one

of the nearby State parking garage buildings, or on the street wherever permitted. You may wish to turn left onto Fourth Street and then left again onto Main Street: **the Cathedral is on the corner of Main and Fourth Streets, facing Main Street.**

From State Hwy 1 Northbound, from Plaquemine and White Castle

1. Follow **Hwy 1 North** toward Baton Rouge.
2. Take the ramp onto **I-10 E** toward **Baton Rouge** at the foot of the Mississippi River Bridge.
3. While on the bridge, get into the left lane, which becomes the exit to the left onto **I-110 N** toward Downtown Business/Metro Airport.
4. Watch for **North Street** exit, **Exit 1-D**, on the left just a mile down. Again, it is a left-lane exit.
5. Exit onto **North St** via exit **1-D** by proceeding straight at the bottom of the exit.
6. Continue westbound down North Street heading towards the Mississippi River; you will notice St. Joseph Cathedral Square on the left between Fifth and Fourth Streets. On weekends you may park in the large lot on your left, in one of the nearby State parking garage buildings, or on the street wherever permitted. You may wish to turn left onto Fourth Street and then left again onto Main Street: **the Cathedral is on the corner of Main and Fourth Streets, facing Main Street.**

From I-110 Southbound, from North Baton Rouge, Baker and Zachary

1. Follow **I-110 S** toward downtown Baton Rouge.
2. Take the **N 9th St** exit, **Exit 1-G**, to the right. Keep following the signs.
3. The exit ramp merges onto **N 9th Street**. Continue southbound for two blocks.
4. Turn **right** at **North Street**.
5. Continue westbound down North Street heading towards the Mississippi River; you will notice St. Joseph Cathedral Square on the left between Fifth and Fourth Streets. On weekends you may park in the large lot on your left, in one of the nearby State parking garage buildings, or on the street wherever permitted. You may wish to turn left onto Fourth Street and then left again onto Main Street: **the Cathedral is on the corner of Main and Fourth Streets, facing Main Street.**

From Florida Boulevard Westbound, from northeastern and eastern Baton Rouge and Denham Springs

1. Follow **Florida Boulevard** (US 190 Business) westbound towards the Mississippi River.
2. Go under 1-110 and continue westbound into the downtown area.
3. Turn right on **Fourth Street**.
4. Again, turn right on **Main Street**. On weekends you may park in the large lot on your left, in one of the nearby State parking garage buildings, or on the street wherever permitted. **The Cathedral is on the corner of Main and Fourth Streets, facing Main Street.**
